Good afternoon Juan,

I hope you are well. Good news, I have only 1 category of documents that are outstanding. I anticipate having them by early next week. Of course, I appreciate your continued patience and please let me know if you have questions or concerns.

Thanks,
Ryder

Have been able to track down the “remaining items”?

Good evening Juan,

I hope all is well. I wanted to provide you with a quick update on BIC's response to EPA's request for information. BIC has gathered most of the financial documents asked for including tax returns. We are in the process of tracking down a few of the remaining items. I will keep you posted and of course, please let me know if you have any questions or concerns.

Thanks,

Ryder

Ryder –

Can you provide me with an update on when I might expect Belleville's response to the ATP request for information we sent the Company?

Thanks,

Juan

As requested, attached please find what your client needs to provide EPA in order for an ability-to-pay analysis to be performed. Please confirm receipt.

Thanks,

Juan
